

CAPABILITY STATEMENT

DUNS#: 961696924

CAGE CODE: 6UUW8

Company Description - Founded in 2010 Collaborative Product Manufacturing With Core Competencies In:

- CNC Machining & Turning Job Shop
- 5 Axis Machining
- Hirth Couplings
- Impellers
- Turbo Machinery
- ISO 9001:2008 Certification

Point of Contact –

Christopher Matyas, President

chris@moderncnc.com or 1(716) 625-8700

Company Designations - Corporate Entity, Not Tax-Exempt, Small Business

Small Business NAICS Code Descriptions

- 332710 - Machine Shops
- 333613 – Mechanical Power Transmission Equipment Manufacturing
- 333912 – Air & Gas Compression Manufacturing
- 332721 – Precision Turned Product Manufacturing
- 333911 – Pump and Pumping Equipment Manufacturing
- 333999 – Miscellaneous General Purpose Machinery Manufacturing

Goods / Services

Standard Industrial Classification (SIC)

- 3499 – Fabricated Metal Products, Not Elsewhere Classified

Product Service Codes (PSC)

- J043 – Maintenance and Repair of: Pumps and Compressors
- J030 – Maintenance and Repair of: Mechanical Power Transmission Equipment

Federal Supply Classification (FSC)

- 4310 – Compressors and Vacuum Pumps
- 3040 – Miscellaneous Power Transmission Equipment
- 2950 – Turbosuperchargers and Components
- 4140 – Fans, Air Circulators and Blower Equipment
